# Signs of Hope

Dear Friends:

The families of Sheri and Joe Boulos and Susie and John Marshall cordially invite you to Signs of Hope, the annual summer celebration and fundraiser in support of the work of Spring Harbor Hospital, a division of Maine Behavioral Healthcare. This invitation-only event is an opportunity for our friends and colleagues to promote a message of hope and recovery and advance the critical work we do to support those affected by behavioral health issues. Proceeds from the event directly support programming for patients at Spring Harbor Hospital who are affected by severe anxiety and depression.

**This year's event will be held at the Portland Country Club on Wednesday, August 14th from 5:30-8:00 pm.** We hope you will show your support by joining us on the Signs of Hope Host Committee. To do so, please complete the enclosed form and return it in the envelope provided. You may also register at [MaineBehavioralHealthcare.org/Hope](http://MaineBehavioralHealthcare.org/Hope). As a Host Committee member you and a guest are invited to join the celebration. **An invitation with additional details will follow in the mail shortly.**

If you have any questions please contact Lisa Bush at 207-661-6101 or [lbush@mainebbehavioralhealthcare.org](mailto:lbush@mainebbehavioralhealthcare.org).

We look forward to seeing you on August 14th, and we greatly appreciate your consideration of a Host Committee gift.

Sincerely,

Sheri Boulos

Susie Marshall
